

Let's Enjoy Peacefulness

The Global PEACEFULNESS Prog ORG

For Personal Peace of Mind and Communal Peace of Life

PREAMBLE:

The GPOrg MANIFESTO For Global PEACEFULNESS

- ...Because we all DESIRE to Rest In Peace after death, but we equally DESERVE to enjoy PEACEFULNESS in our Life before our obituary ...
- ... Because according to UNESCO in their Constitution's Preamble in 1948, "Since WARS begin in the MINDS of men, it is in the MINDS of men that the defences of PEACE must be constructed"...
- ... Because according to PLATO, the Great Philosopher "Only the DEAD have seen the END of the WAR."...
- ... Because according to EINSTEIN, the Great Scientist, "PEACE Can NOT be kept by FORCE; It can only be Achieved by UNDERSTANDING ...
- ... Because according to Maria MONTESSORI, the Great Educator, "AVERTING War is the work of Politicians; ESTABLISHING Peace is the work of EDUCATION." ...
- ... Because according to MANDELA, the Great global Icon of Peacefulness, "EDUCATION is the most POWERFUL Weapon you can use to CHANGE the World ...
- ... Because Though WE all are Born HUMAN, But we are "programmed" from our Birth to our Death to be and live "UnHUMAN" leading to perpetuation of "(Hu)Man's inhumanity to fellow (Hu)Mans"...
- ... Because you can not Destroy HATRED with Fights and Guns and Bombs, you only create more HATERS...
- ... Because we continue to face self-caused PREVENTABLE risks of Human existential DISASTERS or even extinction through endless drift from VIOLENCE to Violence and from WAR to War...
- ...Because our past and present PEACE efforts and systems are apparently proving to be somewhat and somehow INEFFECTIVE and yet so much EXPENSIVE...
- ...Because our GOVERNMENTS all over the World are proving to lack the CAPACITY or the COMMITMENT to sustainable causes of Peace to ensure Personal Peace of Mind and Communal Peace of Life ...
- ... Because our previous and current Peace EDUCATION and Training Systems are Not PERSONALISED absolutely, so People do not get to INTERNALISE the message to let it IMPACT their own lives...
- ... Because of all of these, and so many more, we hereby make this Declaration for Global PEACEFULNESS...
- And, so, We hereby present and promote, The Global PEACEFULNESS Education PROGRAMME as the way forward out of our present VIOLENT and WAR ravaged existence to manifest real Peacefulness for all
